2014 WealthBriefing Awards – Asia

ERI best in the "Transaction Processing" and Portfolio Management categories

ERI's OLYMPIC Banking System was crowned best in the Transaction Processing Solution category in Singapore and Hong Kong as well as in the Portfolio Management category in Hong Kong by WealthBriefing, the online journal and news website.

"When reviewing the market the editorial team has been impressed with numerous changes made by this firm to their core offering. This has included the updating and design of its portfolio management, risk management, corporate actions, management of structured products and a mobile module".

Commenting on the awards, Adrian Williamson, ERI Singapore said: "We are pleased to receive these prestigious awards, which are designed to recognize the best players of the global private banking, wealth management and technology sectors."

About ClearView Financial Media Ltd ("ClearView")

ClearView Financial Media was founded by Managing Director, Stephen Harris in 2004, to provide high quality information for the discerning private client community. London-based, but with a truly global focus, ClearView publishes the *WealthBriefing* group of newswires, along with research reports and newsletters, while also running a pan-global leadership events' programme.

With teams based in New York, Hong Kong, Switzerland, South Africa and the Philippines, the company is one of the fastest-growing media groups serving the financial services sector.

ClearView recently announced the appointment of industry guru Bruce Weatherill as Chairman. Formerly a senior partner and head of the wealth management practice at PwC, Weatherill is a trusted advisor to a number of the company's global investment management and private banking clients, including Fidelity International.
