Double victory for ERI at the WealthBriefing Swiss Awards 2016:

Best solution in the "Transaction Processing" and "Portfolio Management" categories

ERI's OLYMPIC Banking System has been crowned best in the "Transaction Processing Solution" and "Portfolio Management" categories by WealthBriefing, the online journal and news website.

The judges chose ERI's solution in the "Portfolio Management" category in recognition of "the developments introduced in the risk calculation module for individual portfolios and groups of portfolios and instruments". By winning the "Transaction Processing" category for the third consecutive year, ERI has confirmed its expertise in this field.

Nicholas Hacking, Sales Director at ERI commented: "We are proud to have been voted the winner of these prestigious awards by independent experts for yet another year. We are also delighted that the jury has rewarded the work completed by our teams, in partnership with our clients, to extend the capabilities of the OLYMPIC Banking System".
