

PRESS RELEASE**For immediate release****June 2013****OLYMPIC Banking System: new go-live in Morocco at the CDG Group**

ERI is delighted to announce that **CDG Capital** has gone live with the OLYMPIC Banking System® on a Linux/ORACLE® platform. **CDG Capital**, an investment bank established in 2006, is a wholly-owned subsidiary of the **Caisse de Dépôt et de Gestion (CDG)** whose head office is in Rabat.

CDG Capital's service offering to its institutional and private clients revolves around 3 key areas of expertise: Asset Management, Corporate - Investment Banking and Alternative Investment. In this demanding context, the OLYMPIC Banking System will be the core IT solution for running the bank's Account, Treasury, Corporate Lending and Regulatory Reporting operations. The OLYMPIC Banking System, which is connected to the Moroccan clearing system (SIMT), also has a built-in capability to handle payment flows.

The bank is forging ahead with the modernisation of its IT systems and the second phase involving the installation of the OLYMPIC Banking System e-Banking solution is now underway.
