### **HOTTINGER & CIE CHOOSES OLYMPIC Banking System**

Hottinger & Cie has chosen to switch from its current core banking system to OLYMPIC Banking System. ERI is delighted that Hottinger & Cie, in order to improve its operations in Switzerland and after thorough evaluation, has placed its trust in OLYMPIC Banking System.

In addition to the core OLYMPIC Banking System application the bank has also chosen to implement the Front Office Portfolio & Asset Management (PAM) module, which provides an integrated solution to portfolio management, portfolio risk calculations and performance calculation and attribution.

The Hottinger Group is internationally active, with a presence in several of the major financial centres in the world. Hottinger & Cie. is headquartered in Zurich and has a branch in Geneva. Together with partner companies, the Group has a staff of approximately 130 people. Its services include typical private banking services including wealth management, investment advisory, trust and corporate services, trading, etc.

The use of the OLYMPIC Banking System in Switzerland will complement the group's current use of the application in Luxembourg and Nassau.
